Accept Minutes of March 16, 2005 meeting

Old Business:

Status from State

- Letter received from Carol Murray dated March 22, 2005, outlining process to present written request to DOT for building conveyance. Letter indicates the states preference not to sell any land in the corridor, however would consider a long term lease on the buildings.
- Mark and Jon will review requirements for request and develop our letter of intent to forward to the state.

Town Website update

Timeline of Depot events?

- Jon presented work to date and will continue this effort

Salt Shed information/update

- Recommended that we send a formal letter to the BOS indicating our vote at our March 16, 2005 meeting recommending that the Highway Department look to relocate the salt sheds.

New Business:

Discussion of possible grants available to help fund rehabilitation efforts.

General discussion of salt operations and usage in the town.

Next meeting: May 5, 2005
