Accepted Minutes of February 1, 2005 meeting

Old Business:

Status from State

- Letter sent from Town to Carol Murray and Shawn O'Kane February 11
 - o No response to date
 - o Dave will follow up by March 4 if no response by then

Town Website update

- Need to send pictures to webmaster (open)
 - o Wendy has started Depot Advisory Committee Home Page, reviewed draft layout
 - o Jon presented a list of relative Historic Depot/Train links
- Added as Historic District on Town Website? (open)
 - o Mark will ask Pat if site can be updated
 - Pat will work with Wendy to coordinate Windham/HDC branding and update

Status from Historic Society

- Note Wednesday March 2 Nesmith Library meeting and tour of Historical Resource Room, 7 – 8 pm

Timeline of Depot events?

- Jon presented work to date and will continue this effort

New Business:

T/E Funding information

- Wayne contacted Scott Bogle (RPC), obtained information for next round of T/E funding

Salt Shed information

- Dave indicated two items of significance
 - The town has accepted a “Pilot Community” status for a DOT/DES/EPA Study Committee that will examine and make recommendations as to how the town’s highway operations manage salt use.
 - Windham has been selected by the EPA for a “Storm Water Compliance Plan” which starts with an audit March 8, 2005.

Next meeting:

We will hold a joint meeting with the Historic District Committee, Tuesday March 15 at the Fire Department Training Room, 4:00 pm.

Respectfully submitted for approval – Mark Samsel
