

Developing Windham's Commercial Tax Base Could Ease the Burden on Residential Taxpayers

Developing Windham's commercial tax base could deliver an additional \$5,000,000 in tax dollars to Windham, according to the Town of Windham CTAP Build-Out Report. Commercial Development will ease the tax burden on Windham Residents. If we had our commercial base better developed today, your tax bill could be reduced by 12%.

The Windham Economic Development Committee – dedicated to enhancing the vitality of the local economy to balance the tax base for all Windham residents. Visit us on line at: www.windhamnewhampshire.com/committees/economic-development-committee
