

SELECTMEN'S MINUTES
January 22, 2008

MEMBERS PRESENT: Chairman Alan Carpenter, Roger Hohenberger, Bruce Breton and Margaret Crisler were present. Meeting commenced at 6:03 pm.

The Board held an emergency meeting to correct the Town Warrant prior to the posting deadline of January 23, 2008. Subsequent to the January 8, 2008 deadline for submitting citizen petitions, it was discovered that a petitioned warrant article originally intended for the School District Warrant was received and verified by the Town Clerk's office on January 7, 2008, but was not delivered to the School District by the January 8, 2008 deadline, and therefore is not set to appear on the School District Warrant. The Board of Selectmen met to consider inclusion of the petitioned article on the Town Warrant.

After a brief discussion, Mr. Breton motioned to include on the Town Warrant as Article 31, a citizens' petitioned article in regards to allowing juniors and seniors to remain at Salem High School, unless the School Board votes to include the article on the School District warrant. Seconded by Mr. Hohenberger. Passed unanimously. Mrs. Crisler motioned to NOT RECOMMEND the article and Mr. Hohenberger seconded. Passed unanimously.

Mr. Hohenberger motioned to adjourn and Mrs. Crisler seconded. Passed unanimously.
